

**OFFICE OF THE CHIEF ENGINEER PWD RAJASTHAN JAIPUR**

S.No. CE(QC)/EE(QC)/2021-22/Circular/D- 38

Date : 13/05/22

**Circular**

It has been generally observed that presently DLP roads (MDR & SH) are not being inspected by the QC wing. A mechanism has to be evolved to maintain the MDR & SH roads up to satisfactory level during their defect liability period as mentioned in the contract agreement.

In this context, Executive Engineers, Quality Control Division are hereby directed to inspect each & every MDR & SH roads under DLP twice in a year. once prior to monsoon and second in post monsoon season. All SE (QC) are also directed to inspect these roads while on regular inspections/ tours.

Inspection should invariably be done for BT surface, shoulders, Jungle clearance & road furniture.
